

# ***POWERBUCK\$ Cleopatra Grand***

## **How to Bet**

---

***POWERBUCK\$ Cleopatra Grand*** features 25 paylines in the base game and 50 paylines in the *Free Spins Bonus*.

### **Bet Settings Menu**

Press the cog or TOTAL BET to open the Bet Settings menu.

### **Coins**

Displays the current number of coins being played.

Betting is fixed at 25 paylines.

### **Coin Value**

Displays the current coin value shown in currency.

### **Total Bet**

Displays the current total bet shown in currency. Change by selecting the desired total bet.

On desktop devices, optionally press the minus button (–) to decrease the total bet or press the plus button (+) to increase the total bet.

Press OK to confirm and close the Bet Settings menu.

### **Spin**

Press the circular arrow to submit the bet and spin the reels.

## **Auto Spin Feature**

---

Auto Spin plays the game automatically for a given number of spins at the current coin value and number of paylines selected.

For jurisdictions where Auto Spin is enabled: Select the number of auto spins and where available, the loss limit, and the (optional) single win limit.

After selecting the desired bet configuration, press **AUTO SPIN**, and choose how many spins to play at the current bet settings.

Auto Spin plays the specified number of spins until **STOP** is pressed, a bonus is triggered, the balance is insufficient to spin, or any enabled win/loss limit settings are reached.

Auto Spin is only available in approved jurisdictions.

## POWERBUCK\$

---

Every bet is eligible to win either the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive of at least \$1,000,000!

– Total bets of \$3.00 or more are eligible to win the **POWERBUCK\$** Progressive.

– Total bets less than \$3.00 are eligible to win the **POWERBUCK\$** Jackpot.

The **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive can only be won in the *Lock and Respin Bonus*.

The chance of winning the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive is linearly proportional to the size of the bet.

## 2x Wilds Feature

---

If 1 or more Cleopatra Symbols substitute in a win in the base game, that win is doubled, except for wins containing Cleopatra Symbols only. Cleopatra Symbol substitutes for all symbols except for Pharaoh Scatter Symbol in the base game.

If 1 or more Cleopatra Symbols substitute in a win in the *Free Spins Bonus*, that win is multiplied by the current value in the multiplier meter, except for wins containing Cleopatra Symbols only. Cleopatra Symbol substitutes for all symbols in the *Free Spins Bonus*.

## Bonus Selection

---

The *Bonus Selection* is triggered when 3 or more Pharaoh Scatter Symbols appear anywhere on the reels. When the *Bonus Selection* is triggered, the Pharaoh Symbol scatter pay is not awarded.

Pick a box to reveal the *Multiplier Bonus*, *Free Spins Bonus*, or *Lock and Respin Bonus*.

The selection does not affect the outcome of the *Bonus Selection*.

The awarded bonus begins and the *Bonus Selection* ends.

## Multiplier Bonus

---

If the *Multiplier Bonus* is awarded during the *Bonus Selection*, 3 Pharaoh Symbols are displayed. Select 1 Pharaoh Symbol to reveal a multiplier.

The selection does not affect the outcome of the *Multiplier Bonus*.

The available multiplier awards depend on the number of Pharaoh Symbols appearing in the spin that triggered the *Bonus Selection*.

Number of Triggering Pharaoh Symbols	Available Multiplier Awards
3	5x, 10x, 12x, 15x, 25x, 50x
4	15x, 20x, 25x, 35x, 50x, 75x
5	20x, 25x, 40x, 50x, 75x, 100x

After the selection, a value equal to the current total bet times the indicated multiplier is awarded, and the *Multiplier Bonus* ends.

## Free Spins Bonus

---

The *Free Spins Bonus* is triggered when free spins are awarded during the *Bonus Selection*. The number of free spins awarded corresponds to the number of Pharaoh Scatter Symbols appearing in the spin that triggered the *Bonus Selection*.

Number of Triggering Pharaoh Symbols	Free Spins Awarded
3	10
4	15
5	20

The bonus cannot be retriggered.

Free spins are played on 50 lines at the same total bet as the spin that triggered the *Bonus Selection*.

During each free spin, if reel 3 spins in an upward direction, the multiplier meter increases by 1. The multiplier meter starts at 2x.

If 1 or more Cleopatra Symbols substitute in a line win, the pay for that line win is multiplied by the current value in the multiplier meter, except for wins containing Cleopatra Symbols only.

During the *Free Spins Bonus*, Cleopatra Symbol is wild and substitutes for all symbols.

Different reels are used during the *Free Spins Bonus*. Reels are determined at the start of each free spin.

## Lock and Respin Bonus

---

The *Lock and Respin Bonus* is triggered when the *Lock and Respin Bonus* is awarded during the *Bonus Selection*. Triggering the *Lock and Respin Bonus* awards an initial 3 respins.

At the start of the bonus, rows 1 to 3 are active. Pharaoh Symbols from the spin that triggered the *Bonus Selection* move to the corresponding reel positions in row 1 to 3 and lock for the

remainder of the bonus. Pharaoh Symbols that triggered the *Bonus Selection* appear with a prize value or Major, Maxi, Minor, or Mini prize icon.

During the bonus, each Pharaoh Symbol on the reels appears with a prize value, a **POWERBUCK\$** icon, or a Grand, Major, Maxi, Minor, or Mini prize icon.

Each unlocked symbol position is a separate reel during the respins.

After each respin, Pharaoh Symbols appearing on 1 or more unlocked reel positions in active rows resets the number of respins remaining to 3 if the number of locked positions is less than 40.

All Pharaoh Symbols appearing in active rows are collected, and all reel positions containing Pharaoh Symbols, including those on locked rows, lock in place for the remainder of the bonus. Only Pharaoh Symbols on active rows are paid at the end of the bonus.

Additional rows are unlocked and activated when the required number of Pharaoh Symbols are collected in active rows.

Number of Pharaoh Symbols Collected	Row Unlocked
6	4
12	5
18	6
24	7
30	8

If 40 Pharaoh Symbols lock into position on active rows during the bonus or the **POWERBUCK\$** icon appears on a Pharaoh Symbol on an active reel, the **POWERBUCK\$** Progressive is awarded when playing at a total bet of \$3.00 or more, or the **POWERBUCK\$** Jackpot is awarded when playing at a total bet less than \$3.00.

The *Lock and Respin Bonus* continues until no respins remain or until 40 reel positions are filled with Pharaoh Symbols, with all accumulated wins awarded to the player.

The **POWERBUCK\$** Progressive or Jackpot may be awarded only once per *Lock and Respin Bonus*. More than 1 jackpot may be awarded during the *Lock and Respin Bonus*. The Grand Jackpot may be awarded only once per bonus. Multiple Major, Maxi, Minor, and Mini Jackpots may be awarded. Grand, Major, Maxi, Minor, and Mini Jackpots are displayed in currency.

Line wins are not evaluated during the *Lock and Respin Bonus*.

Different reels are used during the *Lock and Respin Bonus*.

The *Lock and Respin Bonus* is played at same coin value as the triggering spin.

## Options

---

### All Sound

- Toggle game sounds on or off.

### Music

- Toggle music on or off.

### Sound Effects

- Toggle sound effects on or off.

## Rules

---

Misuse or malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Only the highest scatter win is paid. Scatter wins are multiplied by the total bet.

Scatter wins are independent from line wins and are added to the total amount paid.

Bonus wins are independent from line wins and are added to the total amount paid.

Cleopatra Symbol appears on reels 1, 2, 3, 4, and 5 in the base game and the *Free Spins Bonus*.

Pharaoh Scatter Symbol appears on reels 1, 2, 3, 4, and 5 in the base game and the *Lock and Respin Bonus*.

Cleopatra Symbol is wild and substitutes for all symbols except Pharaoh Scatter Symbol in the base game. Cleopatra Symbol is wild and substitutes for all symbols in the *Free Spins Bonus*.

The *Lock and Respin Bonus* is played on independent reels. All awards are scattered. No paylines are used.

Grand Jackpot can only be won once during the *Lock and Respin Bonus*. However, more than 1 Jackpot can be won during the same *Lock and Respin Bonus*. More than 1 Major, Maxi, Minor, and

Mini Jackpot can be won during the same *Lock and Respin Bonus*. All accumulated wins awarded to the player.

The likelihood of winning the Grand Jackpot, Major Jackpot, Minor Jackpot, or Mini Jackpot is not equal.

Wins are shown in currency.

In some jurisdictions, regardless of bet size, there may be an award cap on any single transaction. See the payable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus, but does not include the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins or respins.

## **POWERBUCK\$ Rules**

---

For total bets less than \$3.00, only the **POWERBUCK\$** Jackpot is eligible to be won (not the **POWERBUCK\$** Progressive). The **POWERBUCK\$** Jackpot value is always \$1,000,000.

For total bets of \$3.00 or more, only the **POWERBUCK\$** Progressive is eligible to be won (not the **POWERBUCK\$** Jackpot). The probability of winning a **POWERBUCK\$** Progressive is proportional to the total bet size.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not available in free play mode.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not subject to an award cap.

Upon winning the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive, a message appears to indicate that customer service will be in contact within 24 hours with payout details. The win verification process may take up to 72 hours, during which time the win amount will not be reflected in the player's account balance. The specific payment process is dependent upon the casino's policy on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win.

The amount paid after a verified **POWERBUCK\$** Progressive win is approximately the amount seen on the **POWERBUCK\$** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCK\$** Progressive win could be somewhat higher because of communication and display delays.

In an *exceptionally* rare case, the win value could be the **POWERBUCK\$** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCK\$** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCK\$** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.

The **POWERBUCK\$** Progressive meter represents an increasing top award where the rate of growth is based on a fixed proportion of all bets and any additional funds added by the **POWERBUCK\$** administrator.

## **Additional Information**

---

### Lost Connection During **POWERBUCK\$** Jackpot or Progressive Win

In the unlikely event of a lost connection or game reset during a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive triggering event, the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive will be awarded.

Notification of the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win will appear on the game screen when the game is reloaded, and the win will not be reflected in the player's account balance. Any standard wins will be reflected in the account balance. Continued play, whether in this game or any other, does not affect the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive payout. Customer Service will be in contact within 24 hours with the payout details. The win verification process may take up to 72 hours.
